Uccello Kettle Tipper

Features:

- Ergonomic handle for people with arthritis
- Hinged lid with large opening for easy fill, clean and pour
- Power Pouring technology
- Auto shut-off with overheating protection

Do you have trouble lifting a full kettle?

The Uccello Kettle is ergonomically designed to allow you to deliver steaming hot water by gently tipping the kettle. No undue pressure or lifting is required!

Now available on DVA MFS RAP Program - the safest kettle tipper we have seen!
